No-Plan Building Permit Supplemental Application

FORM
DS-6005

May 2017

This form shall be used when applying for a [No-Plan Building Permit \(Information Bulletin 203\)](#). A completed [General Application \(DS-3032\)](#) shall also be provided. A [Supplemental General Application \(DS-3032A\)](#) may be used when all information on the General Application (DS-3032) is the same and that information applies to all addresses in the project. Otherwise, a separate form shall be provided for each building.

Buildings and structures which have been legally permitted, constructed and passed final inspections are eligible to utilize this application. The types of work which are eligible to obtain a building permit without a plan review for conformance with building codes is defined in Information Bulletin 203: No-Plan Building Permits.
